

Merlin Park

A commitment to care

A caring environment

Merlin Park is situated in a residential area of Gosport close to local amenities, the sea and noted beauty spots. The Home is complemented by a secluded garden offering residents a safe and tranquil setting.

We offer a range of accommodation options including single and shared bedrooms. All bedrooms have ensuite toilets and some have ensuite bathrooms. We have an assisted bathroom and two shower rooms. Each room has a call bell point. The Home has a passenger lift to the first floor.

Residents are welcome to bring in personal possessions from their current home as long as they comply with Health & Safety regulations.

Attention to detail

Merlin Park is a care home for older people and older people with Dementia. It is part of a group of Care Homes in Hampshire.

We employ professionals with a wealth of experience to help us achieve high standards. This includes a Director of Care and a registered Manager. We have a training department to make sure that all our staff are well trained and competent to do their jobs.

We have a holistic approach to caring for residents which includes all aspects of personal and social care.

Senior care staff assess, monitor and review the care and social needs of each resident and each resident has a comprehensive care plan.

A choice of lifestyle

We provide our residents with a variety of choices of their lifestyle.

Our kitchen provides a daily selection of wholesome meals prepared from fresh ingredients. We ensure that special dietary needs are met and there is always a selection of home made cakes and fresh fruit. An in-house laundry service is also provided.

Television and video are available in the lounge and can also be provided in bedrooms. Activities are arranged and provided by specialists and by staff. The secluded garden offers quiet relaxation.

Relatives and friends are welcome to visit at any time and can participate in our various activities and parties.

Health care professionals including General Practitioners, Community Nurses, Dentist, Optician and Chiropodist visit the Home regularly. A hairdressing service is also available.

Arrangements are made to ensure residents are able to worship in their own faith.

Our aim is to provide a positive and comfortable lifestyle for our residents by enabling and encouraging them to make the most of their individual capabilities within a residential setting.

Staff who care

Our specially trained staff help all residents feel secure and comfortable so that they can look forward to the future with optimism.

In our home, they will be enabled and encouraged to retain their dignity, independence and individuality.

Our objectives

To ensure staff are responsive to the individual needs of the residents and provide care to facilitate the highest possible quality of life within the home.

To develop a care plan for each resident compiled with key areas of choice, rights, fulfilment, independence, privacy, dignity and security in mind.

To ensure our staff are adequately trained, supported and managed.

To have an expectation of each member of staff to conduct themselves in a professional and mature manner and produce care of a high quality.

To provide a caring and supportive environment where the resident feels valued, secure and happy.

To foster an environment of openness and respect, in which residents, family, friends and staff feel valued, and where each person's view counts.

To enable staff to gain a sense of achievement and self-fulfilment from their experience with us.

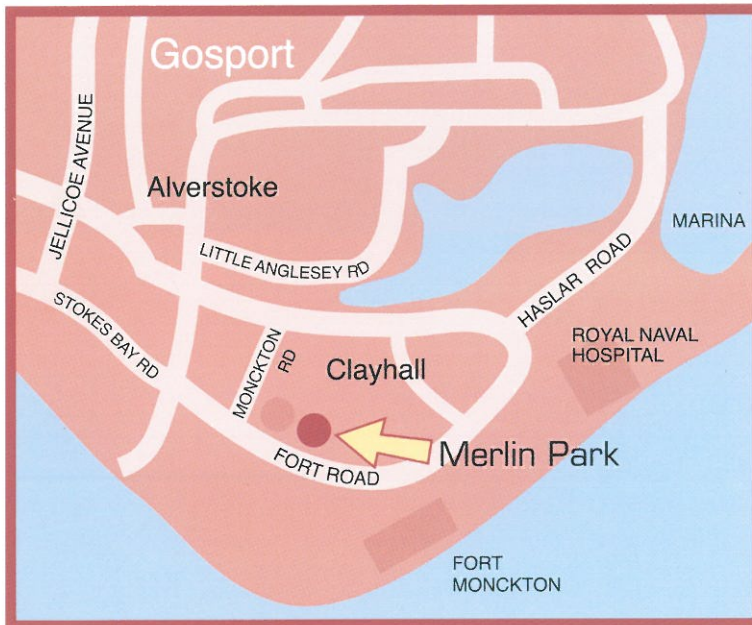

From home to home

Merlin Park embraces a philosophy of care which aims to provide a secure, relaxed and homely environment in which the care of the resident is of prime importance.

We aim to provide care to a standard of excellence which embraces the fundamental principles of good practice. If at all possible, a trial visit will be arranged prior to admission to the Home, so that the resident and family can make an informed choice about their next place of abode.

To arrange a visit, or to discuss the Home further, please contact:
